

**PROUD TO BE MAKING A DIFFERENCE FOR OUR FUTURE WITH OUR  
PARTNERS IN EDUCATION**

On behalf of the students, faculty, staff and administration at Jonesboro Middle School, thank you for your continued commitment to our school through our Partners in Education School program. Your participation as a partner has enabled us to meet several of our goals.

**Your support has allowed us the opportunity to support our most important investment - The education of our children.** Our entire community depends on a successful educational system, and so education is everyone's business, and together we will find ways to match your business goals with our school goals.
